LABOR IS KING!

Powderly Orders the Knights to Their
Posts of Duty.

While an Arbitration Committee Will
Try and Settle the Pending
Difficulty.

And It is Probable That the Great
Strike Will End To-Morrow.

Railroad Traffic Resumed.
New York, March 28.—The conference be-
tween Jay Gould and T. V. Powderly to-day
and this evening has resulted in orders from
each of them to the parties to the South-
western strike, ordering an immediate resump-
tion of work and traffic, pending the
arbitration to which Mr. Gould consents.

WASHINGTON, March 28.—Congressman
John J. O'Neill, Chairman of the House
committee on Labor, left for New York this
afternoon to confer with T. V. Powderly
and Jay Gould as to the settlement of the
Southwestern railroad trouble. The inter-
ference of O'Neill invoked by letter the
President in bringing together "two antagonized
members of his family."

In the House to-morrow Mr. O'Neill's
long-promised
BILL OF THE ARBITRATION QUESTION
will be introduced. He asserts that it is
a national question, and that it is
entirely a "bill creating boards of arbitration
for the speedy settlement of controver-
sies and differences between common
carriers and the people of the United
States, and in the case of the Southern
railroad, between the railroad and the
people of the United States."

TO CONSTITUTE TRIBUNALS
inferior to the Supreme Court of the United
States, and to make all laws which shall be
necessary and proper for carrying into ex-
ecution the foregoing powers. It provides
for the formation within the law of a tri-
bunal consisting of one on each side of the
controversy, the two to select a third. If
they do not select as provided, within three
days, the U. S. court of jurisdiction in which
the trouble exists shall do so. This tribunal
shall have the standing of a U. S. Commis-
sioner, with all its powers, and shall be paid
in a like manner.

New York, March 28.—This morning at 11
o'clock, T. V. Powderly and W. B. McDowell
called upon Jay Gould at the latter's resi-
dence. There they met Mr. Gould, Mr. Hiram
Kims and George Gould. There was a gen-
eral discussion of the situation.

In the southwest by both sides, and a better
understanding was arrived at than had been
before by either party hitherto. After talking
until 1 o'clock, p. m., the conference was
adjourned until evening at 7 o'clock to
night they met again. At 8:30 p. m. Pow-
derly had to leave to keep an engagement
with Congressmen on the House committee on
Labor, who came from Washington to render
assistance in settling the strike. Mc-
Dowell, however, remained with Mr. Gould
and his party, and Mr. Gould finally handed
to Mr. McDowell the following communica-
tion:

PRESIDENT'S OFFICE, MISSOURI PACIFIC R.R.,
March 28th, 1886.
T. V. Powderly, G. M. T. Dear Sir: Re-
plying to your letter of the 27th inst., I
write to say that I will to-morrow morning
send the following telegraphic instructions
to Mr. Hoxie, General Manager of the Mis-
souri Pacific Railroad at St. Louis:

"In resuming the movement of trains on the
Missouri Pacific road, and in the employ-
ment of laborers on the road, the several
departments, this company will give
preference to our late employees, whether
they are Knights of Labor or not, except that
you will not employ persons who have
injured the company's property during the
late strike, nor will we discharge any person
who has taken sides with the company
during said strike. We see no objection to
arbitrating any differences between em-
ployees and the company, in the past or in
the future."

Hoping the above will prove satisfactory,
I remain, yours very truly,
JAY GOULD, President.

THE EXECUTIVE BOARD OF THE KNIGHTS
OF LABOR have sent out the following tele-
gram: *Martin Horn, Chairman of the Executive
Board, D. A. 101, St. Louis:*
President Jay Gould has consented to our
proposition for arbitration and so telegraph-
ically Vice-President Hoxie. Order the men to
resume work at once. By order of the ex-
ecutive board.

T. V. POWDERLY, G. M. T.
The executive board also sent out the fol-
lowing telegram:
To the Knights of Labor who are on strike in the
Southwest:
President Jay Gould has consented to our
proposition for arbitration, and so telegraph-
ically Vice-President Hoxie. Order the men to
resume work at once. By order of the ex-
ecutive board.

T. V. POWDERLY, G. M. T.
New York, March 28.—Congressman
O'Neill arrived from Washington just in
time to get the news. He sent the following
congratulatory telegram at once:
To Missouri Republicans: Settlement ef-
fectual.

HOPE TO SETTLE THE ARBITRATION.
The Executive Committee of the Knights of
Labor has ordered men to resume work.
Congratulations to our people on the road.
JOHN J. O'NEILL.

Congressman O'Neill said that the Labor
committee had prepared a bill which he
would present to the House to-morrow, in
which he thought were provisions which
would prevent future trouble like this. He
said that some 9,000 or 10,000 people had
been directly affected by the strike, and that
unnumbered thousands had been indirectly
affected. He expressed great pleasure that
the strike was so peacefully. He returned to
Washington at daylight.

News. Powderly and McDowell will meet
Mr. Gould to-morrow morning at 9:30 by ap-
pointment.

Mr. Gould, March 28.—The news tele-
graphed from New York last night that
Grand Master Workman Powderly had or-
dered the strikers on the Gould Southwest
system of railroads to resume work immedi-
ately, pending arbitration, was received by
the knights here with incredulity, some
even going so far as to say they believed the
telegram were forgeries. After the first
surprise occasioned by the intelligence had
passed.

OFFICIAL SATISFACTION WAS EXPRESSED
That the strike was not to be prolonged and
that men will be allowed to go back to work.
The absence of ironies and sarcasms of the
executive committee, District Assembly 101,
will delay to some extent the resumption of
trade upon the roads, for other members of
the committee say that they will not go back
until they have either met in executive session
and voted upon what they term the request of
Powderly, that strikers to that effect, or
until they have met in executive session and
voted upon what they term the request of
Powderly, that strikers to that effect, or
until they have met in executive session and
voted upon what they term the request of
Powderly, that strikers to that effect.

NEW YORK, March 28.—Strikers prevented
all efforts to move and trains from all East
St. Louis today, and at this moment are quite
violent. It is reported that the sheriff has
called on the Governor of Illinois for mili-
tary aid, though this has not been confirmed.

BRUSSELS, March 28.—Dispatches from
Charleroi say there has been further rioting
in that town, resulting in the killing of several
persons and the wounding of many others.
The rioters at Jambou, upon the ap-
proach of the troops sent to disperse them,
placed 300 women in the front ranks.

THE THROU OPENED FIGHT.
And many women were wounded. The strike
is extending to Namur.
Additional troops have been called from
Brussels to quell the disorder. Later ad-
ditional reports that the rioters had been
calmer, and that there will probably be no
further riotous demonstrations by the
strikers. At a body

THE STRIKERS ARE DESTITUTE.
And are compelled to beg for bread. The
most desperate and lawless violence of the
rioters is now being shown. A number of
men will go to work to-morrow. They will
be armed with revolvers with which to de-
fend themselves in case of an attack by
strikers.

BRUSSELS, March 28.—The authorities have
prohibited the sale of foodstuffs to the
people of this city. Two classes of militia
have been called out for service.
The city of Liege was quiet to-day. It
was expected that work will be resumed
there to-morrow.

A circular signed by Governor Hainault
has been placed throughout Charleroi,
proclaiming that the strikers are lawless
and that the authorities are authorized to
use force to suppress them.

CHALLENGE, March 28.—Appeals for troops
have been received from Charleroi, Chatelet,
Calonne, and Conde, where several
factories and mines have been wrecked,
and where many persons have been killed or
wounded in collision with local troops. Only
seven miles north of the city, and they are now
exhausted from their incessant vigilance.
The burgomaster has been compelled to call
for

THE WOMEN ALL RIOTERS.
That refuse to disperse.
Strikes are threatened at Flennes and
Quaregnon, and troops have been sent to
those places. It is asserted that the Ger-
mans organized the present labor move-
ment.

The burgomaster has been compelled to call
for

GOVERNMENT TO DEFEAT THE STRIKERS.
News of disorder comes from all directions.
There was a sharp encounter last evening at
Schaepstreek with a crowd of rioters who
were trying to enter Charleroi. Two of
the rioters were killed and several wounded,
and the others fled. The strikers defied troops
and serious fighting is expected. Detach-
ments of cavalry are scouring the country
to suppress armed bands who have been
terrorizing and extorting money from the
villages.

AN UNANNOUNCED MEETING.
An unannounced meeting calling
managers will be held at Laborer and
strikes are looking to that town.
Hainault, March 28.—The workmen here
are now licensed to burn down the
factories in the city. The government has
declared that the strikers are lawless and
that the authorities are authorized to use
force to suppress them.
